1. The learned Counsel for the

Respondents-Contemnors states that as per the original Petition, 14 structures were there which have already been removed. In the earlier Contempt Petition, two more structures were pointed out of which one is already removed and only one structure has remained to be removed because the occupants of the structure had filed a Writ Petition (Lodging) No.723 of 2005 in which orders were passed by the Court, as a result, the structure could not be removed.

2. The learned Counsel for the Respondents, on taking instructions from the Sub-Engineer, Shri Mehta, states that the said structure would also be removed within four weeks from today.
